

Assembly Instructions

**Rotary Cutters
Check Chain Kit**

When you see this symbol, the subsequent instructions and warnings are serious - follow without exception. Your life and the lives of others depend on it!

Before You Start

These option assembly instructions contain only information on assembling the attachment to the listed Rotary Cutters. A detailed Operator's Manual was supplied with the cutter when it was purchased. For more specific information on safety concerns refer to the Operator's Manual. Also included in the Operator's Manual is important information on operation, adjustment, troubleshooting, and maintenance for this attachment (some of these sections do not apply to all options).

A separate Parts Manual for replacement parts can be purchased from your dealer or download free of charge from our website at www.landpride.com. Have model and serial numbers handy when placing an order.
