CUTTERS

Make pasture and roadside maintenance a simple and efficient task.

The RC4715 is a heavy-duty folding rotary cutter with a 4" cutting capacity and 15' cutting width designed to make pasture and roadside maintenance a simple and efficient task. The unit comes with ease of maintenance features that you've come to expect from Land Pride like greaseless pivot points, endcap grease zerks, easy-off shields and a patented sliding guard over the splitter gearbox, making maintenance easy to perform. There are multiple axle options, including Land Pride's parallel pivot that gives you unmatched ground contact for improved holding power on hills and inclines, as well as 5 tire options in 6 or 8 tire configurations.

Land Pride's patent pending parallel pivot axle gives you unmatched ground contact for improved holding power on hills and inclines.

7 YEAR
LIMITED GEARBOX
WARRANTY

Spring cushioned axles improve ride and are available options on both center and wing axles.

Easy-off shields and a patented sliding guard over the splitter gearbox make maintenance easy to perform.

Forged diamond blade bar provides strength where it's needed most.
